Dear Dr. Harper:

This is to confirm that at its April 24, 2003 meeting, the Coordinating Board approved the revised Mission Statement for Texas A&M University-Corpus Christi (enclosed). The revised Table of Programs (enclosed) for your institution was also approved by the Board and now includes:

Planning authority for:

- Architecture (bachelor's level)
- Athletic Training (bachelor's level)
- Biomedical Science (bachelor's level)
- Applied Physics (bachelor's level)
- Library Science (master's level)
- Curriculum and Instruction (doctoral level)
- Environmental Systems (doctoral level)

The Table of Programs also includes some general broadening of table of programs authority in the following areas:

- Conservation & Renewable Natural Resources (bachelor's and master's level)
- Libera! Arte and Sciences (bachelor's level)
- Physical Sciences (bachelor's and master's level)

We wish you every success in planning for the future.

Cordially,
