College of Business Lab Survey

Who manages the labs?
Richard Longoria

Are these open labs or closed labs?
When the labs are not being used by business classes, the lab is open to all Texas A&M students.

Can these labs be used by the entire student body or are they class specific?
Labs can be used by the entire student body when not scheduled for classes.

What are the hours of operation?
During the regular school year, the Business Lab is open from M-Thur. 8:00AM to 10:00PM, Fri. 8:00AM-5:00PM, and Sat. 10:00AM-5:00PM. Summer hours may be slightly shorter in duration.

Where are they located?
The Business Computer Labs are located in the Library Building room LIB135.

Is there specialized software used in these labs?
Yes, there is software specific to classes taught in the lab.

Please list all specialized software per lab and if possible what courses use that software.

BCL Software List

**MISY**

Are these PC or Mac or Linux machines?
The business lab uses PC machines.

Are these manned labs with some sort of IT support for students?
Yes.

Are there training materials on how to use the lab?
No.

If the lab engages in student user training or provides training materials, provide documentation.
N/A

What other services does this lab provide? i.e. scanners, video editing, image editing, CAD, plotters etc.
We provide scanners and image editing software at the business lab.

Are said specialized services available to all students or only specific groups?
The above specialized services are available to all students during hours of operations (and when classes are not in session).
