The Island University

Texas A&M University-Corpus Christi is home to 8,600 students engaged in bachelor’s, master’s and doctoral degree programs. This Hispanic Serving Institution traces its roots to 1947 and is among the leading centers of higher education in the region. As part of the Texas A&M University System, our “Island University” embraces its vision to serve the educational, cultural, social, environmental and economic needs of South Texas and beyond.

The Island University has a solid academic reputation built through the dedication of its renowned faculty. Our students explore the depths of the Gulf of Mexico, perform on the finest stage in the Coastal Bend, undertake research that improves lives, and engage in business partnerships. We’re an active campus where students are challenged to succeed in the classroom and graduates are prepared for rewarding careers. Learn more at www.tamucc.edu.
