SSS Mission

The Student Support Services program is a federally funded TRIO program through the United States Department of Education and is committed to identifying, attracting, and graduating students of high potential, especially those from groups who have been historically under-represented in Texas higher education. The emphasis is to provide a special environment in which students can come for assistance in meeting their academic, personal, career, cultural awareness, and social needs.

Our Commitment

The Student Support Services Program is committed to servicing all persons seeking academic support, and we encourage applications from students of diverse backgrounds. No distinction is made upon the basis of race, color, disability, religion, age, gender, sexual orientation, marital status, or life circumstance.
