Plagiarism has never been easier than it is today. The power of the internet makes it easy to find thousands of relevant sources in seconds, and with a few clicks of a mouse button students can locate, copy, and paste together a research paper, or report. It can be very time consuming for educators to check and verify suspected plagiarism, so many don’t bother.

Help is here. The Provost office has provided TAMUCC faculty with a tool to help combat plagiarism, Turnitin®. TAMUCC now has an institutional license to use this full-featured plagiarism prevention tool developed by iParadigms, LLC.

The Faculty Renaissance Center will conduct workshops throughout the semester to facilitate Turnitin’s tools:

**Turnitin Features**

- **Plagiarism Prevention**
- **Peer Review**
- **GradeMark**
- **Gradebook**

Workshop schedule available on the FRC website.
