Mission Statement

The Faculty Renaissance Center is to promote and support lifelong learning and continual professional growth and development of the faculty at Texas A&M University, Corpus Christi. The Center plays a key role in creating a campus culture that values and acknowledges the contributions of faculty in the areas of teaching, scholarship and service.

- The Center leads the University community in creating and coordinating faculty development and will act as a repository and resource for faculty to learn about, benefit from, and participate in formal and informal professional development activities across the campus and beyond.
- The Center coordinates and provides programs, activities, and resources that help faculty identify and achieve their professional goals in teaching, scholarship, and service.
- The Center foster a campus culture that acknowledges and values faculty and their ongoing growth and development as teachers, scholars, and active members of the campus and the local community.
