Faculty Grant Writing Workshop

The Faculty Renaissance Center is pleased to announce a Faculty Grant Writing Workshop for Summer, 2008. All faculty members interested in research, preparing, modifying, and submitting grant proposals are encouraged to submit an application to Dr. Chuck Etheridge (CLA) or Dr. Eugene Dillot (SALT) by May 12, 2008. Because the workshop is intended to develop specific grant requests and to complete a grant proposal, enrollment is limited. Enrollment will be accepted no more than ten distinct grant opportunities. Faculty members interested in joint proposals (including multiple researchers) are welcome to apply, but the stipend of $500.00 will be allotted for each distinct grant proposal accepted. Applications will be evaluated as they arrive and applicants accepted on a first-come first-served basis.

Eligibility:
All full-time tenured or tenure-track faculty members are welcome to apply.

Application Requirements:

- A cover letter explaining the purpose/scope of your grant request, possible grant funding sources, and the names of all faculty members involved in the project.
- A current CV (1-2 pages) for all faculty members involved in the project.
- A brief description of your grant writing experience (i.e., are you a novice seeking your first grant, someone modifying an existing grant, or an experienced grant writer hoping to refine your skills?)

Deadline:
Applications will be considered once all of the required materials are submitted. Evaluations will begin on Monday, May 12, 2008 and continue until the workshop is filled. Submit all proposal materials to one of the following workshop facilitators:
