Ribbon Cutting Celebrates Opening of Dr. Jack and Susie Dugan Wellness Center

Dr. Jack Dugan (center, left) and University President Flavius Killebrew were joined by elected officials, community leaders and well-wishers at a ribbon cutting ceremony for the new Dr. Jack and Susie Dugan Wellness Center, Saturday, Jan. 24. Funding for the $211 million center was seeded by a $1 million from Dugan in his late wife’s memory. The ceremony was followed by tours of the facility. Later in the day, the Islander men’s basketball team beat UT-San Antonio in the first-ever Southland Conference game on Ward Island.

Children’s author Cathy Travis gave a talk on her book “Constitution Translated for Kids” to around 109 students Tuesday, Jan. 27, in the Early Childhood Development Center Library. “Constitution Translated for Kids,” written at the fifth grade level, is a simple translation of the Constitution.
