Welcome to the Research and Scholarly Activity website established to provide information about research and sponsored programs at Texas A&M University-Corpus Christi. Available are many resources including:

- Links to federal, state and private agencies.
- Up-to-date information about funding opportunities.
- Information regarding submission of an application.
- Grant management aspects of funded proposals.
- A list of all awardees

**OUR MISSION** is to promote a vibrant research environment and to support events that affect the climate for research and creative activity at A&M-Corpus Christi. **OUR GOAL** is to facilitate a relationship that encourages the development of research and scholarly activity.

If you have comments, questions or suggestions about this website, please do not hesitate to [contact us](mailto:contactus@tamucc.edu).
