Graduate Studies
Grad School. It’s not for everyone, but you’re not everyone.

Make the right Choice!
With several excellent graduate programs, Texas A&M University-Corpus Christi is a rapidly growing urban university located on the South Texas Gulf Coast. The Graduate programs prepare students for leadership roles in the future development of the region and the state through formal instruction, research and other forms of scholarly activity. The University has endowments that focus on solving problems related to the South Texas urban and coastal region. To these ends, Texas A&M University-Corpus Christi recruits and supports students, faculty and staff who share its broad purpose and commitment to excellence. Learn more...
