Texas A&M University-Corpus Christi

A quick look at your University

2008-2009
Success Driven

We want you to succeed, and we're here to work with you to reach your goals. As an A&M-Corpus Christi student, you'll have many academic support services available. Our New Student Programs office helps first-year students, transfer students, and prospective students learn about the many services and operations available throughout the campus. Academic Advising Centers assist you with educational plans, course selections, degree requirements and other academic matters, working with you from before your first class until your graduation. The Tutoring and Learning Center is committed to helping students reach their educational goals and succeed.

Our Honors Program offers enriched plans of study to highly motivated students who have the potential to excel academically and the desire to develop global perspectives. Our award-winning First-Year Learning Communities program utilizes small learning groups to encourage students to draw connections across different fields of study and apply those connections to the real world.

Where Will I Stay?

Many students from outside the Corpus Christi area choose housing at the Camden Miramar Apartments and Residence Halls located on campus. Spectacular bay views, an open air swimming pool, a nearby hiking and biking trail, and a recreation center are the amenities you can enjoy in your home away from home.

There are many living arrangement packages available, and all residences are furnished and include internet connections, cable television, and local telephone service.

Check Us Out! Take a Tour!

Learn about us first-hand during one of our Island Day events. This is your opportunity to get help on your application and financial aid forms, learn about the many degree programs available, check out the housing, tour the campus, and meet faculty and current students. We've designed the day for you, your family and friends. And we're here throughout the week to give you personal tours. Visit us. Learn what it's like to be an Islander.
