RESEARCH & SCHOLARLY ACTIVITY WORKSHOPS
are dedicated towards promoting a vibrant research environment and to support events that affect the climate for research and creative activity at Texas A&M Corpus Christi. Our goal is to facilitate a relationship that encourages the development of research and scholarly activity.

"Intelligent Property: Nov 12, 2008: Discussion will include the process, definitions, role of the campus system, disclosure and patenting. 1pm-2pm Bayview Room 320.

Conflict of Interest in Research: Nov 20, 2008: What is considered a conflict? Limits pertaining to financial conflicts. When and how to disclose. 1pm-2pm Dolphin Room 306.

Texas Research Development Fund Panel Discussion: Feb 20, 2009: This workshop is geared toward faculty interested in submitting proposals to the Texas Research Development Fund. There will be staff from the research office and a panel of prior TRDF awardees sharing useful information and tips for creating a winning proposal. 9am-10am Bayview Room 320.

Research Enhancement Panel Discussion: Feb 26, 2009: This workshop is geared toward faculty interested in submitting proposals to the Research Enhancement Program-University level and/or college level. There will be a panel of prior Research Enhancement awardees and prior University-level Research Enhancement committee members to provide useful information and tips for creating a winning proposal. 9am-10am Bayview Room 320.

What is in a Contract? Mar 2, 2009: This workshop will include information on what goes into a contract, who executes the contract and its interpretation. 1pm-2pm Dolphin Room 306.
