Welcome To the Office of Financial Aid

The Office of Student Financial Assistance at Texas A&M-Corpus Christi is available to assist those students who have difficulty meeting the cost of attending the University. Although the primary responsibility for financing an education rests with the student and the student's immediate family, it is recognized that many students will require additional assistance in order to finance their educational goals. Therefore, Texas A&M-Corpus Christi offers financial assistance based on documented financial need to those students who would otherwise not be able to attend the University.
