Texas A&M University-Corpus Christi

Texas A&M University-Corpus Christi is an expanding, doctoral-granting institution committed to preparing graduates for lifelong learning and responsible citizenship in the global community. We are dedicated to excellence in teaching, research, creative activity and service, and our supportive, multicultural learning community provides undergraduate and graduate students with a challenging educational experience. The university’s federal designation as a Hispanic Serving Institution (HSI) provides a foundation for closing historical educational gaps, while our strategic location on the Gulf of Mexico and on the cultural border with Latin America provides a basis for gaining national and international prominence.
