MEMORANDUM

October 10, 2008

TO:       Dr. Flavius C. Killebrew, President

FROM:     Debbie Perez, Senior Program Director

SUBJECT:  Change of Institutional Peer Group

Following the request from Texas A&M University – Corpus Christi, staff reviewed the institutional peer groupings and agree to move Texas A&M University- Corpus Christi from the Comprehensive universities peer group to the Doctoral universities peer group.

As you know, the groupings are intended to be neither permanent nor prescriptive. They are considered permeable and subject to change according to institutional growth.

We will make the necessary changes to our documentation and the Accountability website.

Dear Susan,

As a follow-up to our discussion last week, I would like to formally request that Texas A&M University-Corpus Christi be moved to the doctoral institution accountability group from the comprehensive institution accountability group since we meet all the stated requirements.

Sincerely,
