Purpose

Small Business Internship Program

The Texas A&M University - C.C. Small Business Internship Program is an opportunity for small businesses in Corpus Christi to grow with the assistance of highly-trained students to meet their specific business needs. It is a partnership with small business employers who can offer students productive and meaningful work assignments with a learning component related to their major.

- Supervision and/or mentor to guide training
- Safe work environment and safety training if needed
- Adherence to all applicable employment laws and regulations

Small Business Internship Program

Employer Benefits

There are numerous benefits for the employer who partners with TAMU-CC in an internship program. Our goal is to ensure that all internships are mutually beneficial to the student and employer by providing access to bright, ambitious students.

- Recruit motivated & career-oriented students to help your business grow!
- Employers have the added benefit of being reimbursed a portion of the student’s wage (up to the amount of the current minimum wage).
- Reduced costs associated with recruiting and training create potential permanent employees for your business.
- A close business partnership is established between employers and Texas A&M University-Corpus Christi.

Student Provides:

- Up-to-date technical knowledge and skills
- Learning goals that support academic and career interest
- Compliance with company guidelines

TAMU-CC Provides:

- Professional staff to assist with job readiness
- Job listings for internship opportunities on I-Link (the job database)
- Education of employer/application requirements
- Prescreen of applicants if requested by employer
- Referrals
- Interview facilities for on-campus interviews
