United Student Veteran Organization (USVO)

About the USVO
The United Student Veteran Organization (USVO) is an officially chartered veteran student organization at A&M-Corpus Christi. The purpose of the USVO is to:

- Assist veterans in the transition from military to academic life for a successful college experience;
- Assist veterans with common issues, and provide counsel on veterans’ educational benefits, scholarships, and VA benefits;
- Serve as the main advocate for veteran student issues at the University and state level;
- Allow other students and the community to be involved with veterans from the University; and
- To create a network of support of veterans at the University and deployed around the world.
