Title

Order cannot be processed without an authorized subscription signature and will become binding only upon written acceptance by OCLC.

Photocopy as many times as necessary.
THE FIRSTSEARCH GROUP ORDER MEMBER TERMS AND CONDITIONS

1. This Subscriber order is subject to written acceptance by OCLC Online Computer Library Center, Incorporated ("OCLC"). OCLC written acceptance may be by issuance to Subscriber of authorization numbers and passwords by which Subscriber and/or Subscriber’s Authorized Users (as defined herein, both collectively and/or individually) may use the FirstSearch service. Such services are described in OCLC’s prevailing, published descriptions for the FirstSearch service, the FirstSearch service, documentation and dial-access telecommunications connections ordered on this or other OCLC forms shall be subject to the following terms and conditions ("Terms"). For annual subscription-based orders, OCLC reserves the right to discontinue subscription type, to determine, modify, or define an eligible site, operational entity, library system or similar limitations with respect to any individual or non-individual subscriber, and reserves the right to accept any subscription order for any reason in OCLC’s sole discretion.

2. Databases available by means of the FirstSearch service are subject to OCLC and/or third-party claims of copyright and other rights. Subscriber’s access to and use of such databases and copying and transfer of data thereto shall be subject to this Section 2, and to changes or additions thereto published by OCLC from time to time (including Supplemental terms, online screen display and/or the FirstSearch service descriptions and documentation). Such changes and additions shall govern over these Terms. Each user, or, in the case of an annual subscription, Authorized User, may view screen displays of the data subject to this Section 2, while accessing the FirstSearch service, and may make one (1) copy per screen display of any portions of such data being viewed by that person, for that person’s internal or personal, non-cataloging and non-commercial purposes. In addition, such copies of limited portions of such data may be transferred or sold as an incidental part of the attorney-client, consultant-client or similar relationship, or for ordering or interlibrary lending purposes, where the principal purpose is not the distribution of data. Screen displays of such data may be electronically downloaded and temporarily stored in machine-readable form by the person so viewing the data solely as required for that person’s use and/or copying of the data under the preceding provision of this Section 2, provided that such machine-readable copies of data shall be erased after such temporary use and/or copying and shall not be transferred, shared or accessed by any other person. Subscriber acquires no ownership rights to any data or portions thereof provided in any form by the FirstSearch service. No part of any data provided in any form by the FirstSearch service may be disclosed, reproduced, transmitted or transmitted in any form without the prior written consent of OCLC, except as expressly permitted hereunder. Use of the FirstSearch service for cataloging purposes is expressly prohibited. Passwords will be restricted to accessing data on the FirstSearch service with respect to which Subscriber has a currently paid-up subscription or for which subscriber has prepaid per-search fees. Any OCLC database supplier shall have the right to assert or to enforce any of these Terms directly on its own behalf. Subscriber shall not omit, obscure or hide from any Authorized User any notice of a limitation of warranty, disclaimer, copyright, patent, trademark, trade secret, usage limitation, or any logo, splash screen or any other terms and/or conditions intended to be displayed to any non-authorized user of the FirstSearch service by OCLC or any database supplier thereto.

3. Access to certain databases available by means of the FirstSearch service shall require separate agreements between Subscriber and the third-party information provider from whom the database is obtained ("IP"), as indicated in the FirstSearch service descriptions with respect to such databases. Subscriber agrees that it shall utilize the FirstSearch service to access and use only such databases for which it has been authorized by the IP under, and only as permitted by the terms of, the applicable separate IP database use contract, and in conformance with prevailing, published OCLC rules with respect thereto, as amended from time to time by OCLC, which OCLC rules may be provided by online screen display and/or in the FirstSearch service descriptions and documentation.

4. Public library subscriptions (nonacademic) are limited by geographic/service area and to a single main library and its branches (i.e., to the libraries under a single director/board of trustees). Authorized Users shall be limited to library patrons accessing the FirstSearch service while in the library and remote access by library patrons, provided that remote access requires the patron to log on first to the library system local computer, using a current authorized library card or other library-controlled authorization before accessing the FirstSearch service. Academic Library subscriptions are limited by geographic site and Authorized Users. Each geographically distinct campus shall be treated as a separate site for purposes of the FirstSearch service. Each such campus must submit its own FirstSearch subscription order form. Authorized users at academic institutions shall be limited to currently enrolled students of the licensed campus and current faculty and staff who are primarily affiliated with the licensed campus. Remote access is permitted by Authorized Users. Special Library shall mean a single corporate or other special library (e.g., law firm). A separate subscription is required for each geographically distinct operational entity. Authorized Users shall be limited to current employees of that institution which is served by the Special Library.

5. Within thirty (30) days after the date of each OCLC invoice, Subscriber shall pay or prepay OCLC the applicable OCLC charges for services selected by Subscriber based upon OCLC’s prevailing price list for the FirstSearch service. All use, products and services of the FirstSearch service which are initiated by Subscriber’s authorization codes and passwords for the FirstSearch service shall be credited against any prepayments. Charges are exclusive of taxes, and Subscriber shall pay any such taxes imposed other than taxes on OCLC net income. Accounts not paid within thirty (30) days after date of invoice shall be deemed delinquent and are subject thereafter to interest charges of twelve percent (12%) per annum on the unpaid balance. OCLC reserves the right to suspend availability of the FirstSearch service to a delinquent account without prior notice. Payments shall be made in U.S. dollars unless otherwise specified by OCLC for non-U.S. Subscribers in invoices, price lists, or other written notices.

6. OCLC may determine, add to, delete from or change at any time (i) which data and databases are available through the FirstSearch service, (ii) the technical and functional specifications, format and formats or availability of services and databases available over the FirstSearch service, (iii) database license rights, obligations and rules hereunder and (iv) any of these Terms. Subscriber shall be bound thereby upon OCLC giving notice, which may be accomplished by online screen display or in the FirstSearch service descriptions and documentation. However, if OCLC materially reduces Subscriber’s rights as a result of such notice revision, such notice revision shall not be given hereunder with respect to any database to which Subscriber is currently subscribed. Subscriber may terminate its subscription for that database (or Subscriber’s subscription in its entirety if the affected database is an OCLC proprietary database) by giving written notice to OCLC within ten (10) days after receiving notice from OCLC of such revisions, in which case Subscriber shall receive a refund of subscription fees prepaid and unearned for the remainder of the subscription term calculated on a prorata basis, or per-search fees prepaid for unsearched data, but not including the annual fee, and the revoking shall not apply to Subscriber. For subscription-based use, the FirstSearch service will be available to Subscriber based upon the number of Simultaneous Logons currently subscribed for at any time that the FirstSearch service is generally made available by OCLC to users. Subscriber may maximize subscription usage by electronically queuing Authorized Users attempting to log on to the FirstSearch service provided that Subscriber shall not utilize any mechanism which would enable the number of Authorized Users concurrently accessing the FirstSearch service via Subscriber’s subscription to exceed the number of Simultaneous Logons subscribed for (e.g., Subscriber shall not use multiplex (interleave) message traffic once the Simultaneous Logon connection has been established between the Authorized User’s terminal and the FirstSearch service). For per-search-based use, the FirstSearch Service shall be available during all times that the OCLC System is generally available to OCLC users, except to OCLC modification. Use of IP databases referred to in Section 3 of the Terms shall be available at times set by the IP.

7. Subscriber is solely responsible for all security for, and all use, including unauthorized use, of the FirstSearch service initiated by either Subscriber’s authorization numbers and passwords for the FirstSearch service and shall promptly notify OCLC in writing of lost or stolen passwords and authorization numbers. Subscriber shall pay OCLC at OCLC’s prevailing rates for search-based use for unauthorized use of the FirstSearch service hereunder. Subscriber’s obligations hereunder are material to this agreement. OCLC’s sole obligation with respect to passwords and authorization numbers shall be to exert reasonable efforts to maintain the confidentiality of Subscriber’s passwords and authorization numbers in OCLC’s possession and to terminate lost or stolen passwords and authorization numbers and resume new passwords and authorization numbers upon receipt of Subscriber’s request, provided that...
Subscriber is in compliance with these Terms and that the lost or stolen password or authorization numbers were provided by OCLC.

OCLC shall exert its reasonable best efforts to provide the FirstSearch service in accordance with the then-current published descriptions. Subscriber shall notify OCLC of nonconformities between the FirstSearch service and such descriptions, and of any errors or inconveniences in the databases, of which Subscriber becomes aware. It is understood that, while OCLC and its suppliers and licensors have attempted to minimize inaccuracies or defects in the data or services furnished, the data and services are provided AS IS. OCLC AND ITS SUPPLIERS AND LICENSORS MAKE NO EXPRESS WARRANTIES AND DISCLAIM ALL IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE, WITH RESPECT TO THE FIRSTSEARCH SERVICE AND OTHER PRODUCTS AND SERVICES PROVIDED HEREUNDER. TO THE EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL OCLC, ITS SUPPLIERS, LICENSORS, OR SUBSCRIBER BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF THE SERVICE OR ANY DOCUMENTS PROVIDED TO SUBSCRIBER, INCLUDING BUT NOT LIMITED TO LOST PROFITS, LOST SALES OR BUSINESS, LOST REVENUES, LOST OR CORRUPTED DATA, OR FOR ANY CLAIM FOR DAMAGES BASED ON CONTRACT, TORT, OR ANY OTHER LEGAL THEORY REGARDLESS OF WHETHER A PARTY FOESAW SUCH DAMAGES, AND IN NO EVENT SHALL OCLC, ITS SUPPLIERS, LICENSORS, OR SUBSCRIBER BE LIABLE FOR ANY LOST PROFITS OR OTHER DAMAGE, EVEN IF OCLC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

Subscriber shall be liable to the fullest extent permitted under applicable law for indemnify and hold OCLC harmless from all claims based upon or arising from the use of the FirstSearch service and databases that Subscriber breaches of its obligations under these Terms of Use, including without limitation, section 10 hereof, provided that in the event that Subscriber breaches a material breach within thirty (30) days, OCLC shall remove such access. In the event that Subscriber fails to cure the breach within thirty (30) days, OCLC may terminate this agreement upon notice to Subscriber.

For annual subscription-based orders, Subscriber may terminate this agreement in its entirety upon written notice received by OCLC within the first month that Subscriber is first granted access to the FirstSearch service hereunder, in which case Subscriber shall be entitled to receive a refund on a prorata basis of subscription fees previously paid by Subscriber, subject to a minimum one (1) month charge based upon the original subscription amount (one-twelfth). No partial cancellations (e.g., reduction in Simultaneous Logins or databases) or other terminations shall be allowed other than on Subscriber's effective annual renewal date. Subject to the refund provisions of section 5, OCLC reserves the right to suspend or refuse the provision of the FirstSearch service to Subscriber for any reason whatsoever, with or without cause, and without prior notice, on condition generally applicable to subscribers. In the event of termination by OCLC for other than a material breach of this agreement by Subscriber, OCLC shall promptly refund to Subscriber on a prorata basis subscription fees previously paid by Subscriber with respect to the unexpired portion of the subscription term.

OCLC may terminate this agreement and the FirstSearch service authorization numbers and passwords for use of the FirstSearch service at any time that (i) Subscriber is in breach of its material obligations under these Terms (which include without limitation) those referred to in subclause (iv) of section 6 hereof, or (ii) no use of the FirstSearch service has been made by Subscriber's FirstSearch service authorization numbers and passwords for at least four (4) consecutive months. Either OCLC or the subscriber may terminate this agreement and the Subscriber's FirstSearch service authorization numbers and passwords at any time by giving thirty (30) days prior written notice. For terminations by OCLC under the second (ii) sentence of this section 15, Subscriber shall receive a refund of its unused prepaid amounts, not including the annual fee.

Neither party shall be liable for any failure or delay in performance hereunder (other than an obligation to pay money) due to or resulting from any cause beyond its reasonable control including but not limited to strikes, shortage of materials, actions of government, fire, or adverse weather conditions, provided that the party so affected notifies the other promptly of the commencement, nature and estimated duration of the cause. The foregoing any of the foregoing Terms, OCLC reserves the right to suspend or refuse the provision of the FirstSearch service to Subscriber for any reason whatsoever, with or without cause, and without prior notice, on conditions generally applicable to subscribers. Any OCLC database supplier shall have the right to assess or to enforce any of the provisions of this agreement directly on its own behalf.

Telecommunications services, equipment and any OCLC support necessary for Subscriber to access the FirstSearch service may be available from OCLC subject to separate agreement(s) if required by OCLC, or otherwise under these Terms of Use. This order form constitutes the complete, final and exclusive statement of the parties' agreement with respect to the subject matter hereof. No purchase orders separately submitted by Subscriber shall apply to modify or supplement this agreement. Subscriber may not assign its contract rights under these Terms of Use. This Agreement shall be governed by the laws of the State of Ohio.

Subscriber agrees that the FirstSearch service authorization numbers and passwords issued by OCLC hereunder may not be used outside the territorial limits of the country in which they were originally issued to Subsciber, as indicated by Subscriber's address on the form of this form, except in full compliance with U.S. export regulations. Subscriber shall be the exporter and importer of record of all the FirstSearch service products, services and data delivered to it by OCLC outside the U.S. by electronic means or otherwise, and shall pay and/or comply with all applicable export and import laws, customs, regulations, tariffs, duties and fees, and procurement, data and technology transfer laws. Subscriber shall indemnify OCLC from all costs and damages arising from any failure of Subscriber to meet its obligations under this Section 19. OCLC's obligations hereunder are contingent upon necessary export licenses being obtained from federal agencies of the U.S.

Subscriber is encouraged to submit this order to OCLC through Subscriber's Network from whom Subscriber receives invoices for use of the OCLC online services (other than the FirstSearch service), if any, if the Network is participating with OCLC in providing the FirstSearch service.

Subscriber agrees to remove at Subscriber's expense all data saved and stored by Subscriber Authorized Users on the FirstSearch service in conjunction with termination of this agreement, and should OCLC be required to effect such removal due to Subscriber's failure to remove, Subscriber shall pay to OCLC its standard charges for OCLC's efforts associated therewith.
