30.2.1.2 Contests Not Considered High School All-Star Competition. Contests conducted under the criteria listed in Bylaw 30.2.1.1 shall not be considered all-star competition for purposes of Bylaw 14.6 if one or more of the following conditions is applicable:

(a) The contest occurs within a framework of a regularly scheduled recreational program involving solely participants from the community in which the sponsor is located;
(b) The competition is limited solely to participants from the community in which the sponsor is located and no revenue, including gate receipts, concessions, program sales or contributions, is generated from the contest;
(c) The competition is scheduled within the framework of an established cultural exchange program involving other educational activities; or

Multiple competition (e.g., tournaments) involving more than one contest or two teams will be considered high school all-star competition if the specific criteria in Bylaw 30.2.1.1 (subject to the conditions in Bylaw 30.2.1.2) are applicable. Each game conducted under such circumstances would be considered a high school all-star contest.

30.2.1.4 Facility Use for High School All-Star Games. An institution is prohibited from making its facilities available for a high school all-star game unless the conditions specified in Bylaw 13.11.3.2 are met.

30.3 Certification of Compliance

A member institution shall not be eligible to enter a team or individual competitors in an NCAA championship unless its president or chancellor makes an annual institutional eligibility certification [see Bylaw 18.4.2.1-(d)] attesting that the conditions set forth in this section have been satisfied. The certification shall be completed not later than September 15. (Revised: 1/10/95, 3/8/06)

30.3.1 NCAA Rules Review. The chancellor or president or a designated representative has reviewed with all athletics department staff members the rules and regulations of the NCAA as they apply to the administration and conduct of intercollegiate athletics. (Revised: 3/8/06)

30.3.2 Coaching Staff Disciplinary Actions. At the time of such certification, and as a result of involvement in a violation of the Association's legislation as determined by the Committee on Infractions or the Infractions Appeals Committee, no current member of the institution's coaching staff:

(a) Shall have been temporarily or permanently suspended from coaching duties by another member institution within the last two years; or

(b) Shall have been prohibited within the last two years, as a result of violations occurring while employed by another member institution, from participating in identified coaching-related activities, unless the prohibition has been equally applied by the certifying institution with respect to the individual's coaching-related activities on behalf of it; or

(c) Shall have been permitted within the last two years to perform any coaching-related activities for the certifying institution that were prohibited after determination by the Committee on Infractions of an “appropriate disciplinary action” for the individual in accordance with the show-cause provision of Bylaw 19.5.2.2-(l) of the NCAA enforcement procedures.

30.3.2.1 Period of Suspension or Prohibition. The period of suspension or prohibition established by the Committee on Infractions or the Infractions Appeals Committee must be in effect for the provisions set forth in Bylaw 30.3.2 to apply.

30.3.2.2 Due-Process Requirement. The affected coaching staff member must be given through the appropriate institution notice of an opportunity to be heard at both the NCAA hearing resulting in the finding of involvement in the violation and the institutional hearing resulting in suspension or prohibition.

30.3.3 Certification of Policies, Procedures and Practices. The policies, procedures and practices of the institution, its staff members and representatives of athletics interests are in compliance at the present time with the Association's legislation insofar as the president or chancellor can determine. (Revised: 3/8/06)

30.3.4 Maintenance of Compliance. It is the intention of the institution to maintain such compliance.

30.3.5 Report of NCAA Violation Involving Institution. A current statement has been filed with the president or chancellor, as a part of the institution's annual certification, which is signed by each athletics department staff member (including part-time and clerical staff members), attesting that the individual has reported any knowledge of involvement in any violations of NCAA legislation involving the institution. (Revised: 4/29/04, 6/10/04, 3/8/06)
30.3.6 Additional Requirements. An institution shall specifically affirm the following:
(a) It has published its regular entrance requirements, including any special-admission opportunities;
(b) It has published its requirements for progress toward a degree, in accordance with membership obligations set forth in Constitution 3.2; and
(c) Each student-athlete who represents the institution in intercollegiate athletics competition during the academic year has been certified to be in good academic standing and maintaining progress toward a degree as set forth in Bylaw 14.

30.4 CONSORTIUM, ATHLETICS
An athletics consortium (see Constitution 3.1.2) may be approved by a two-thirds vote of the Administration Cabinet, provided the criteria specified below are met. (Revised: 11/1/07 effective 8/1/08)

30.4.1 General Policy. In general, a consortium shall be approved on the basis of existing academic considerations with the understanding that there shall be no change in the basic recruitment, enrollment or financial aid policies of the involved institutions as a result of such approval.

30.4.2 Combining Entire Athletics Programs. The institutions shall combine their entire athletics programs, and the consortium shall not be formed on a sport-by-sport basis.

30.4.3 Conference Approval. An institution that belongs to an NCAA member conference first shall receive approval of its conference prior to instituting a consortium for its intercollegiate athletics program. If more than one institution holds such conference membership, all such conferences shall approve the consortium.

30.4.4 Eligibility Requirements for Student-Athletes. Participating student-athletes shall meet all eligibility requirements of the member institution(s), the athletics conference(s) involved and the NCAA. The member institution(s) shall certify the eligibility of all student-athletes under those rules.

30.4.5 Financial Assistance to Student-Athletes. Within a consortium:
(a) Each institution shall be responsible for the financial assistance awarded to its student-athletes. The financial arrangement between or among the institutions for the exchange of funds to cover the academic costs of student-athletes who take part in the exchange program shall apply to student-athletes in the same manner as it applies to those students not participating in the intercollegiate athletics program;
(b) One institution may not provide a scholarship or any other form of financial aid to a student-athlete enrolled in another institution or transmit a scholarship or grant-in-aid to another institution to be used by one or more of its student-athletes; and
(c) Financial aid limitations as set forth in Bylaw 15 shall be applicable to the consortium as one entity and shall include all countable student-athletes, regardless of the institution in which they are enrolled.

30.4.6 Length of Approval. NCAA approval shall be for a four-academic-year period, at the end of which the institutions shall submit a report on the program setting forth its effect upon their academic and athletics operations. (Revised: 8/4/89)

30.4.7 NCAA Division Membership. The institutions may be members of different NCAA divisions but shall select one division for legislative and competitive purposes.

30.4.8 NCAA Member Involvement. At least one of the institutions already shall be a member of the NCAA, and no more than one nonmember institution shall be included.

30.4.9 NCAA Membership Application. The institutions shall apply for NCAA membership as a consortium and shall be considered as one member of the Association, with their combined names included on the official NCAA membership list.

30.4.10 Prior Academic Consortium Relationship. The institutions shall have had a prior academic consortium relationship.

30.4.11 Recruitment. It is permissible for one institution to recruit prospective student-athletes with a view to their possible enrollment at another institution in the consortium, provided the individuals qualify for admission to that institution and the athletics interests of the member institution are not involved, directly or indirectly, in influencing the admission or award of financial assistance.

30.5 DRUG-TESTING PROGRAM

30.5.1 Responsibility of Institution. Each member institution is responsible for ensuring compliance with the following elements of the NCAA Drug Testing Program: (Adopted: 4/28/05 effective 8/1/05)
