hours to be removed from scholastic probation if scholastic probation was due to unsatisfactory GPA. The courses included in the 9 semester hours must be approved by the program faculty for degree-seeking students.

A student who receives a grade of U in research or two grades of C or less may be removed from scholastic probation after one (1) year if the student achieves a cumulative 3.0 GPA (or higher GPA if required by the program) or subsequently receives grades of S in research.

A student will not be placed on scholastic probation in a graduating semester if the cumulative GPA is 3.00 or higher and there are no more than two C’s for courses on the degree plan.

Placement on Enforced Withdrawal: A student who is on scholastic probation will be placed on enforced withdrawal if:

- the student’s grade point average for any subsequent term or semester falls below 3.0, or
- the student receives a second grade of U in research, or
- the student receives a third grade of C or lower, or
- the student does not achieve the required cumulative GPA (3.0 or higher if required by the program) within completion of 9 semester hours.

A student who is removed from scholastic probation will be placed on enforced withdrawal if the student receives a second grade of U in research or a grade of C or less.

Enforced withdrawal is reflected on the student’s academic record.

Reinstatement: A student on enforced withdrawal may not enroll in any graduate program for a minimum of 12 consecutive months. A student must reapply, meet current requirements for degree-seeking students, and be accepted by the University and the program to enroll for graduate studies following the period of enforced withdrawal. The application may be submitted prior to the requested enrollment date. Colleges or programs may develop additional procedures or requirements related to re-enrollment following enforced withdrawal. Please see the appropriate college or program section of the catalog for specific requirements.

Effect of Scholastic Probation and Enforced Withdrawal on Financial Assistance or Veterans Benefits: Students receiving financial assistance should see “Suspension Policy” in the “Financial Assistance” chapter of this catalog. For additional information, they may contact the Office of Student Financial Assistance. Students receiving veterans’ benefits for education should contact the Office of Veterans Affairs for specific policies concerning VA status if placed on scholastic probation or enforced withdrawal.

REQUIREMENTS FOR MASTER’S DEGREES
In addition to the general requirements above, the following requirements apply specifically to the master’s degree.

Total Hours
Master’s programs normally require a minimum of 36 semester hours of approved graduate credit, 24 of which must be from courses at the 5000 level or higher.

Transfer of Credit
In addition to the general Transfer of Credit Policy, the following regulations will apply to master’s degree course work: No more than twelve semester hours of graduate level study may be transferred. All transfer work must be appropriate to the degree being sought. Specific programs may limit the number of transfer courses allowed to less than twelve. Please consult the college for additional information on transfer credit.

Recency of Credit
Credit that is more than seven years old will not be counted toward a master’s degree. The seven-year period is calculated from the date of degree conferral. In rare cases, special conditions allow for exception from this seven-year policy, provided the courses were completed at this university. However, this action will require strong justification in writing.
from the student requesting the exception, with written approval from the major department chairperson, the dean of the college from which the degree is offered, and the Graduate Dean. The preferable process is revalidation, as discussed below.

**Revalidation of Courses Beyond the Seven Year Limit**

Courses listed on the plan of study completed more than seven years prior to graduation are considered dated. The advisor or graduate committee may recommend a revalidation plan. Revalidation will verify that the student’s knowledge in a specific subject area is current. Written examinations normally are required. Successfully revalidated courses may be included in the student’s plan of study. Graduate students will not be permitted to submit more than 12 semester hours of their programs’ required courses for revalidation. Courses must have been completed at this university to be eligible for revalidation. All revalidation plans must be approved by the students’ advisor, the department chair, the college dean, and the Graduate Dean.

**Degree Plans**

A copy of a degree plan, developed by the time a student has completed half of the course work in the program, should be forwarded to the Office of Graduate Studies and Research.

**Exit Requirements:**

**Comprehensive Examination/Capstone Experience/Creative Project/Thesis**

All programs have a culminating experience. In addition to successful completion of all courses required for graduation, students are required to pass a comprehensive written examination taken during their final semester of enrollment or, if specified by the program, successfully complete a capstone experience or creative project or defend a thesis.

The thesis must be electronically checked for plagiarism and approved by the thesis committee chairman prior to the defense.

**Second Master’s Degree**

A student who holds a master’s degree may take a second MA or MS degree only if the second degree is in a distinctly different field of study. The MA in Interdisciplinary Study, MBA, MPA, MAcc, and MSN degree may be earned only once.

Students who already hold a master’s degree and who wish to receive a master’s degree of a different type must complete all college and University requirements for the degree, including a minimum of 24 additional semester hours at Texas A&M University-Corpus Christi. Upon the recommendation of the program coordinator and/or advisor, students may apply up to a maximum of 9 semester hours of related graduate credit from an earlier degree earned at this university to a second master’s degree at this university. Such credit may be applied to a second master’s degree only if it falls within the recency of credit policy and is approved by the program coordinator and/or advisor as appropriate course work for the degree sought. Some degree programs do not permit any credit from an earlier degree to be applied to a second master’s degree. Please consult the specific program for details. Credit from a degree earned at another institution will not be applied to a second master’s degree at Texas A&M University-Corpus Christi.

**REQUIREMENTS FOR TERMINAL DEGREE PROGRAMS**

There are five doctoral programs and one Master of Fine Arts (MFA) Program at TAMU-CC. The College of Education offers three doctoral degrees: a Ph.D. in Curriculum and Instruction, an Ed.D in Educational Leadership, and a Ph.D. in Counselor Education. The College of Science and Technology offers two degrees: a Ph.D. in Coastal and Marine System Science, an interdisciplinary program drawing from the natural, social, and computational sciences, and a Ph.D. in Marine Biology, an interdisciplinary degree program in collaboration with Texas A&M University-College Station and Texas A&M University-Galveston. The College of Liberal Arts offers the Masters of Fine Arts.

The goal of terminal degree programs at Texas A&M University-Corpus Christi is to provide students with a comprehensive discipline-specific knowledge base and extensive
