Community Outreach

Vehicle Emissions Program

Upcoming Events:

SATURDAY
April 25, 2009
10am - 2pm
2nd Baptist Church

There will be an AutoCheck event on Saturday April 25, 2009 at the 2nd Baptist Church located at 6701 South Staples street from 10 AM to 2 PM.

InfoLine (361) 825-3700

Suspect your car is not getting the gas mileage it should? Maybe it is running rough? Is your Check Engine Light is on? AutoCheck it!

AutoCheck is an exhaust analyzer that measures tailpipe emissions, identifying poorly tuned vehicles. Poorly tuned autos get poor gas mileage, costing you more money every time you fill up.

Edward Eiland
Vehicle Emissions Program Coordinator

Event Pictures
Moody HS - February 2008
TAMUCC - April 2008

Funding
AutoCheck is funded by a Texas Commission on Environmental Quality Supplemental Environmental Project. SEP contributions to this project were made voluntarily as part of the settlement of an enforcement action brought by the TCEQ.

Assistance with Repairs
AutoCheck has funds available to assist drivers with the cost for minor emission-related repairs. One of AutoCheck's participating repair shops will determine what is causing the high emissions, make the needed repairs then AutoCheck typically offers financial assistance to help cover the cost.
