Dear «FNAME»,

Federal regulations require that the Office of Student Financial Assistance (OSFA) monitor the progress of students receiving or applying for financial aid. Students are required to maintain a certain grade point average and to complete a certain percentage of credit hours toward their degree each year for continued financial aid.

A review of your academic performance at the conclusion of the Spring 2009 term indicates that you are not making Satisfactory Academic Progress.

- You did not meet the required minimum grade point average (GPA) and did not complete the required percentage of credit hours towards your degree. Therefore, you are being placed on financial aid suspension.

If you plan to enroll in classes for Summer 2009 or Fall 2009, you must be prepared to pay for your classes using your own resources.

If you have extenuating circumstances and wish to appeal your Financial Aid Suspension Status, you must submit a Satisfactory Academic Progress Appeal Request along with supporting documentation to the OSFA. If you wish to appeal to attend classes during the Summer 2009 terms, you must submit your appeal no later than June 1, 2009. If you wish to appeal to attend classes during Fall 2009, you must submit your appeal no later than August 3, 2009.

Please do not reply to this message. Replies to this message are routed to an unmonitored mailbox. If you have questions or need additional assistance, please email us at faoweb@tamucc.edu. You may also contact the OSFA at 361-825-2338.

Sincerely,

Jeannie Gage
Director
