The Department of Kinesiology prepares students for professional careers in athletic training, exercise science, physical education, sports management, sports coaching, and strength/conditioning. The faculty is committed to teaching excellence, service, and scholarship that promotes an academically challenging and learner-centered environment.

Kinesiology students work closely with the Department's award-winning faculty and with Texas A&M University-Corpus Christi's 11 NCAA Division I athletic teams.

TAMUCC's Educational Program in Strength and Conditioning is recognized by the National Strength and Conditioning Association (NSCA).
