Texas A&M University-Corpus Christi

Detailed Assessment Report
2007-2008 College of Business Annual Report

Mission/Purpose

The College of Business supports the mission of the University by focusing on the higher educational needs of business students in the region. Programs are designed to help students advance their education in business to become more productive citizens, further their careers, and pursue advanced studies within a changing global environment. Undergraduate programs offer selected specializations built on a foundation of general education and a broad business core. The Master of Business Administration program provides more advanced general management education with selected concentrations. The Master of Accountancy program offers advanced accounting studies. The College promotes a code of ethics, special concern for student learning, and the effective use of technology.

Student learning is the highest priority of the College. To that end, the College emphasizes intellectual contributions of applied scholarship and instructional development. The College supports faculty development, community service and involvement in professional organizations resulting in service to key stakeholders. The College solicits input from its primary stakeholders through advisory councils.

Goals

G 1: Education
Provide high quality, relevant, innovative education for business and non-business students and the community.

G 2: Faculty
Recruit, develop, and retain quality faculty.

G 3: Technology
Encourage and support the effective use of technology and other instructional resources to improve learning.

G 4: Student support
Enhance student learning and retention through quality recruitment, advising, placement, and student organizations.

G 5: Operations
Pursue continuous improvement of college operations and community service.

Outcomes/Objectives, with Any Associations and Related Measures,
